Good Afternoon Alan,

Thank you for your interest in the Corporate Advocacy Program..

We are your first line of defense on the Internet.

The only ones that can fix Ripoff Report, is, Ripoff Report ... with your commitment to customer satisfaction..

Please fill out this application below – I will send you the rates immediately .. with an estimate of the costs for you.

Please understand, not every business qualifies for this program – you will see below the questions as ask.

If there are questions down below you don't know the answer to, just skip them.

Before you get to the questions, I want you to see the newest way we handle the existing Reports about your business.

If the Reports are false, we will expose them for what they are. Google / all search engine listings should change from a negative to a positive!
see the way this company looks on Ripoff Report now.**RR Auctions Listing** on Google, then click on Ripoff Report after you've seen how great Google looks.<https://www.google.com/#q=rr+auction+reviews> **see the RED TEXT** before you get to the original Report that was posted, once you've clicked onto Ripoff Report from the Google LINK.

This is the new way most Search Engines should look, depending on the business, .. for Ripoff Report Corporate Advocacy Program members.

See Dr Kevin Sands DDS LINK below ..

Scroll down after the REVIEW we did –

Depending on the Report as to what is claimed, this is what we do to the Report:

<https://www.google.com/#q=dr+kevin+sands+reviews> **look at the listing, then click on the Report – see the text in RED before the original Report.** You will first see over 1,200 words about the business with photos and Videos before the negative review..!

We do a mailing to everyone that posted a complaint about your business so you can make things right with them. – if they don't respond, we expose them! You get to know who posted the Reports about your business and fix everything with in reason.

All businesses make mistakes .. how they take care of those mistakes is what separates good businesses from the rest.

if you don't like to read, ..

Watch these short videos that will explain it all – then down below is our application..

Let all 3 videos play, they will just loop around – they will take about 5 minutes to watch all 3
